How to use Yun logistics service to ship goods from China to New Zealand

About the Home page

The screenshot shows the Yun logistics service Home page interface. The top navigation bar includes the logo 'YUN 丽过海 运过来', a search icon, and language selection ('English'). The left sidebar has a 'Dashboards' dropdown with 'Home' selected, and other options like 'Cost Calculation', 'Account', 'Parcels', and 'Freight Orders'. The main content area is divided into three sections: 'Account' (Manage personal information), 'Parcels' (Parcels list), and 'Freight Orders' (Create freight orders). Below these are two address input fields: 'Air Freight Warehouse Address' and 'Sea Freight Warehouse Address', each with fields for Consignee, Mobile, Address, and Postcode.

Postcode: 510550

- Account:

you can change your password, add receiver/sender address by click the matched button in the Account function box.

- Parcels:

Draft: you can add parcel's before they arrive in warehouse.

In warehouse: This number tells you how many packages you have entered the warehouse.

In Processing: This number tells you how many packages you have are in processing.

The screenshot shows the YUN Logistics Management System interface. At the top left is a sidebar with navigation links: Dashboards, Home, Cost Calculation, Account, Parcels, and Freight Orders. The main area features three large cards: 'Account' (with a person icon), 'Parcels' (with a package icon), and 'Freight Orders' (with a truck icon). Each card has a 'Create' button. Below these are two sections: 'Air Freight Warehouse Address' and 'Sea Freight Warehouse Address', each containing fields for Consignee, Mobile, Address, and Postcode, with a 'Copy' button at the bottom right of each section.

- Air Freight Warehouse Address / Sea Freight Warehouse Address

You can find the address of our China warehouse here. Please note that the addresses for air and ocean shipments are slightly different.

Please confirm whether your package is to be shipped by air or sea, please send it to the corresponding air/sea address.

For your convenience, you can use the copy button of the corresponding address to copy the address.

The screenshot is identical to the previous one, showing the YUN Logistics Management System interface. It highlights the 'Copy' buttons under the 'Air Freight Warehouse Address' and 'Sea Freight Warehouse Address' sections with red boxes and arrows, indicating where users can click to copy the addresses.

Cost Calculation

you can use the cost calculation to estimate the shipping cost for your parcel(s).

The screenshot shows the 'Cost Calculation' section of the Ship2u interface. It includes input fields for Length (10 cm), Width (20 cm), Height (30 cm), and Weight (0.006 kg). Below these are buttons for 'Submit' and 'Reset'. The page also features a sidebar with navigation links like 'Dashboards', 'Account', 'Parcels', and 'Freight Orders'.

About Account:

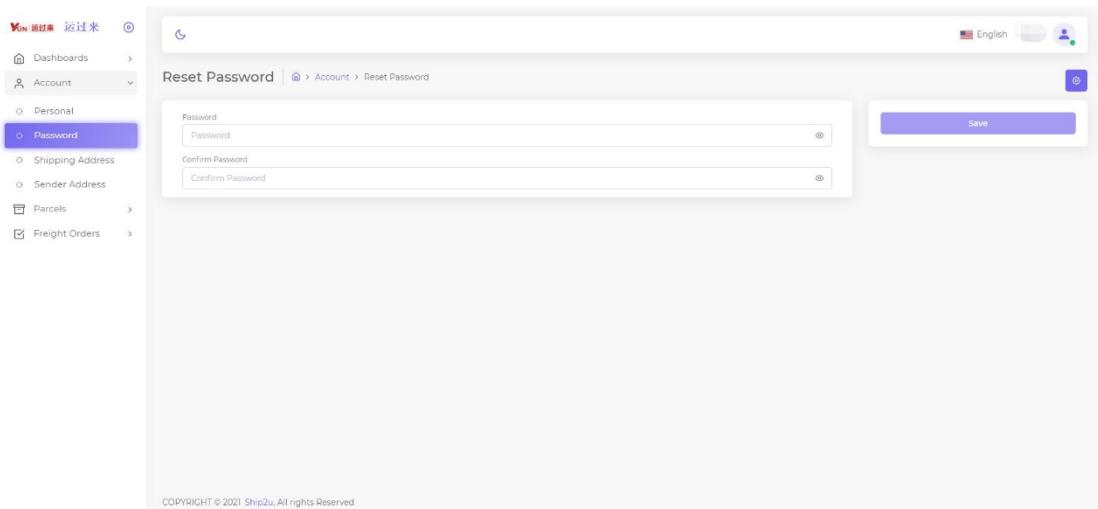

● Personal

You can change your personal information anytime from here.

The screenshot shows the 'Personal Information' section of the Ship2u interface. It includes fields for 'Name' (with placeholder 'We need your information to identify your cargo'), 'Email' (with placeholder 'Enter a Valid Email. It is used to receive cargo reminders.'), and 'Mobile' (with placeholder 'Please fill in the commonly used mobile phone number, used to communicate urgent cargo matters.'). Below these are buttons for 'Submit' and 'Reset'. The page also features a sidebar with navigation links like 'Dashboards', 'Account', 'Parcels', and 'Freight Orders'.

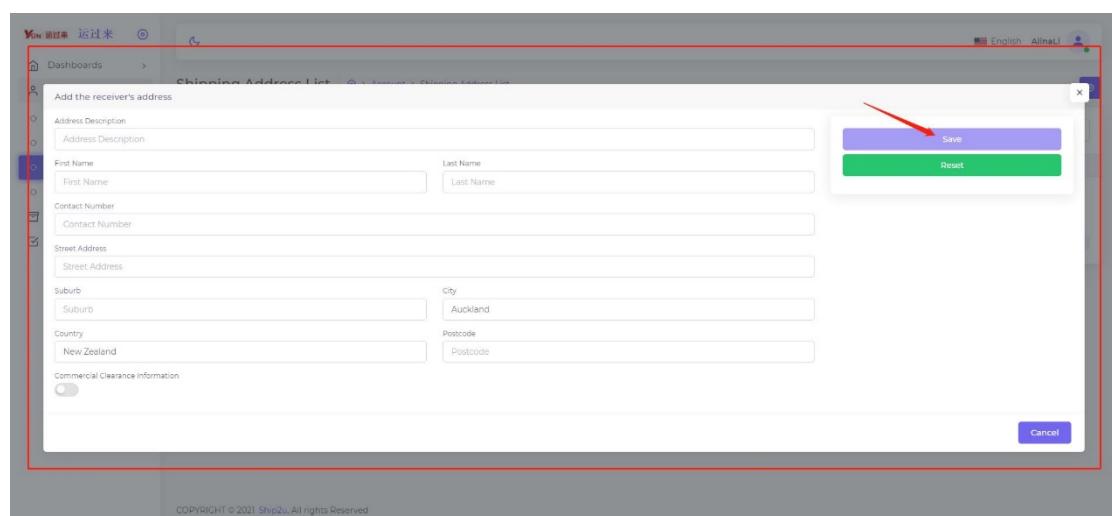

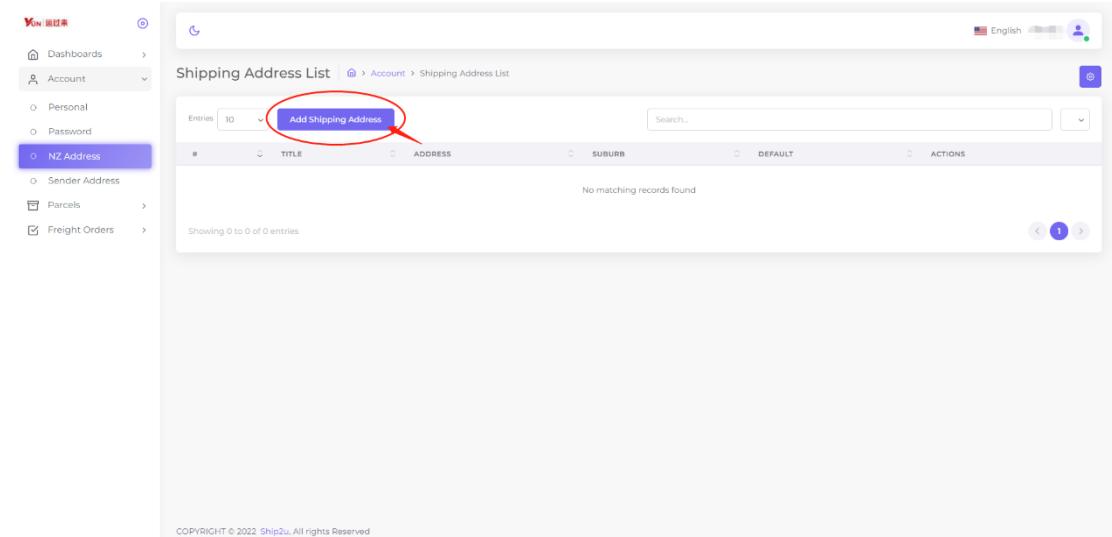

● Password

You can reset your password in here.

● NZ Address (Shipping Address)

You can add your receiver/shipping New Zealand address in here.

- Sender Address (wholesaler Address)

You can add the sender (Chinese) address in here.

*The sender (Chinese) address is required by New Zealand Customs.

This screenshot shows the 'Sender Address List' page. On the left, there's a navigation sidebar with options like 'Dashboards', 'Account' (selected), 'Personal', 'Password', 'NZ Address', and 'Sender Address' (selected). The main area has a search bar with 'Entries: 10' and a 'Search...' button. Below it is a table with columns: TITLE, ADDRESS, SUBURB, DEFAULT, and ACTIONS. A message at the bottom says 'No matching records found'. At the bottom right of the page is a footer with 'COPYRIGHT © 2022 Ship2u, All rights Reserved'.

This screenshot shows the 'Add the shipper's address' form. It includes fields for 'Address Description', 'First Name', 'Last Name', 'Contact Number', 'Street Address', 'Suburb', 'Country', 'City', and 'Postcode'. There are 'Save', 'Reset', and 'Cancel' buttons at the bottom right. A red box highlights the entire form area, and a red arrow points to the 'Save' button.

About Parcel

● In Warehouse

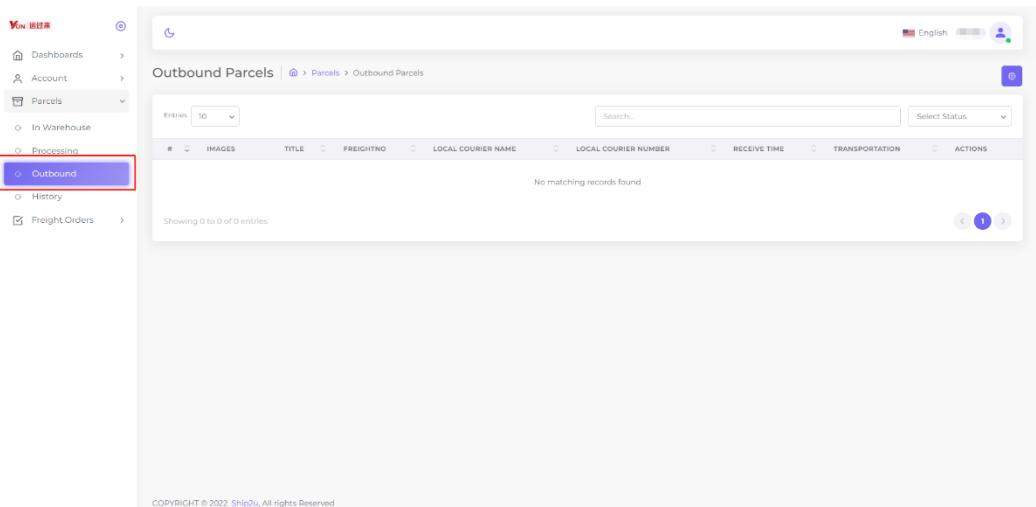

For all packages arriving at the warehouse, you need to fill in the package content, package item name, quantity, and value here.

The screenshot shows the 'Waiting for Delivery' section of the Shipzu software. The left sidebar has a 'Parcels' category expanded, with 'In Warehouse' selected. The main area displays a table with columns: #, IMAGES, TITLE, LOCAL COURIER NAME, LOCAL COURIER NUMBER, RECEIVE TIME, and ACTIONS. A search bar and a 'Select Status' dropdown are at the top. The message 'No matching records found' is centered in the table area. The bottom of the screen shows the copyright notice 'COPYRIGHT © 2022 Shipzu, All rights Reserved'.

● Processing

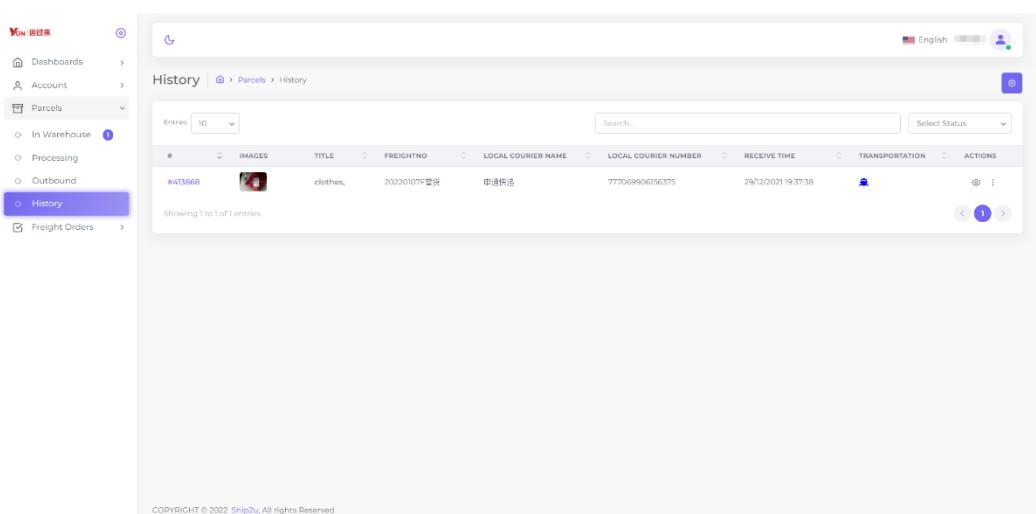

The screenshot shows the 'Processing Parcels' section of the Shipzu software. The left sidebar has a 'Parcels' category expanded, with 'Processing' selected. The main area displays a table with columns: #, IMAGES, TITLE, FREIGHTNO, LOCAL COURIER NAME, LOCAL COURIER NUMBER, RECEIVE TIME, TRANSPORTATION, and ACTIONS. A search bar and a 'Select Status' dropdown are at the top. The message 'No matching records found' is centered in the table area. The bottom of the screen shows the copyright notice 'COPYRIGHT © 2022 Shipzu, All rights Reserved'.

● Outbound

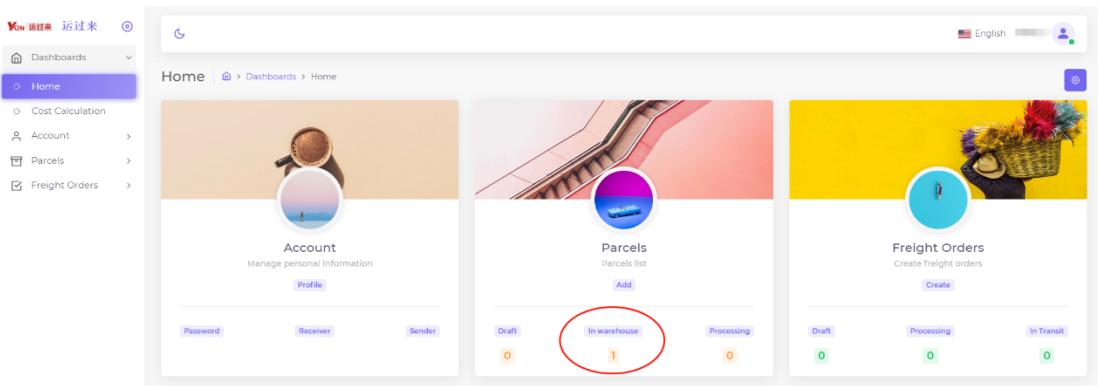

● History

You can review all your parcel from here.

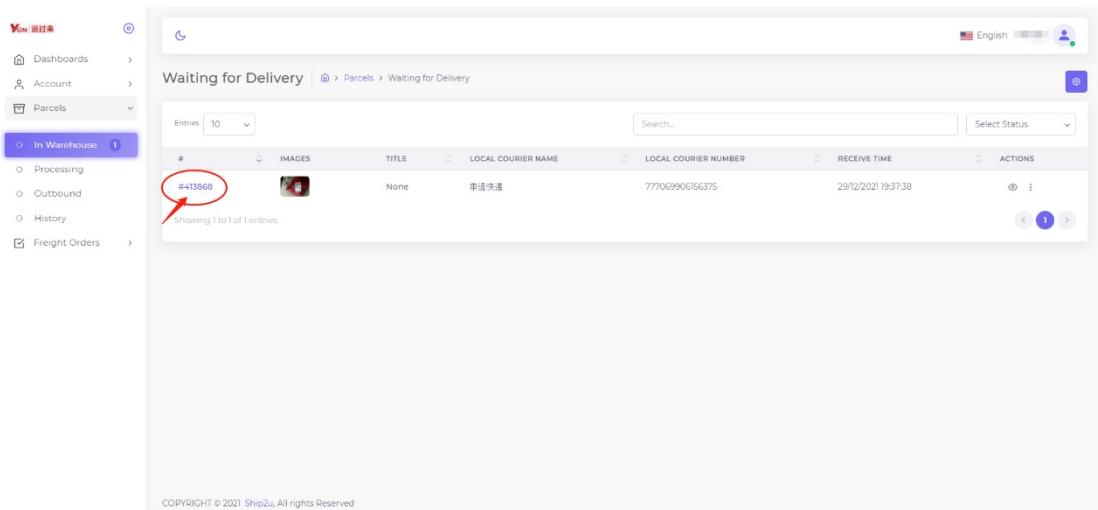

How to use Yun's Logistics service?

Payment Received. Thank you!

No found. Please contact us.

- After you finish the payment, you will find out it is paid status.

The screenshot shows the 'Orders List' section of the YUN platform. On the left, a sidebar menu is open under 'Freight Orders', with 'Processing' selected. The main area displays a table of orders. One specific row is highlighted with a red circle around the 'PAID' column, which contains the word 'Paid'. The table columns include #, TITLE, STATE, FREIGHTNO, TRACKING NUMBER, PAID, CREATE TIME, TRANSPORTATION, and ACTIONS.

#	TITLE	STATE	FREIGHTNO	TRACKING NUMBER	PAID	CREATE TIME	TRANSPORTATION	ACTIONS
#72260	2022-01-05YUN95609空运	P	20220107F普货	YUN072260F	Paid	05/01/2022 16:15:04	✉	⋮

- Once the parcel is sent out, you will see your freight order is in transit.

The screenshot shows the 'Home' dashboard. On the left, a sidebar menu is open under 'Freight Orders', with 'Home' selected. The main area features three large cards: 'Account' (Manage personal information), 'Parcels' (Parcels list), and 'Freight Orders' (Create freight orders). The 'Freight Orders' card has a red circle around the 'In Transit' button, which is highlighted in blue and shows the number '1'. Below the dashboard, there are two sections: 'Air Freight Warehouse Address' and 'Sea Freight Warehouse Address', each with a list of consignee, mobile, and address details.
